MILITARY  
SERVICE

I asked the person spoken to whether defendant was in active military service of the United States or of the state of New York in any capacity whatever and received a negative reply. Defendant wore ordinary civilian clothes and no military uniform. The source of my information and the grounds of my belief are the conversations and observations above narrated.

Upon information and belief I aver that the defendant is not in the military service of New York State or of the United States as that term is defined in either the State or in the Federal statutes.
